5X1A		25X1
	40	On 7 August, in addition to Staaken airfield, Falkensee restricted area was to be vacated in the near future.
	5.	On 10 August,
	6.	Petween noon and 1 p.m. on 10 August, three trucks loaded with furniture came from the restricted area. Two additional trucks were seen in the restricted area. Source believed that the restricted area was being vacated.
	7.	About 4 p.m. on 10 August, two large piles of furniture and billeting equipment which were guarded by an air force officer were seen on Falkensee freight static Six empty flatcars with sideracks were parked on a siding. Throughout the day on 11 August, furniture and billeting equipment was hauled from the restricted area to the freight station where it was loaded by air force personnel. Motor vehicles were also being loaded.
	8.	About 6 p.m. on 11 August, a train carrying 15 to 20 trucks, 5 sedans, 3 motorcycles, 1 radio truck, 1 urniture and air force soldiers left Falkensee freight station. <sup>2</sup>
	9,	Throughout the day and night and 11 August, billeting equipment which was hauled from a fenced-in area north of the station, was loaded at Falkensee railroad station. According to a local resident, the air force personnel quartered on Stalin Allee was transferred and the buildings were to be reoccupied by KVP.4
	10,	At 6:30 p.m. on 11 August, trucks hauled billeting equipment from the quarters of the Felkensee air force headquarters to Falkensee freight station. At noon on 12 August, the quarters of the air force headquarters appeared to be vacated. No loading operations were seen at the freight station. At 5:30 p.m. and 8:45 p.m., no lights here seen in the quarters which appeared empty. A KVP sentry with green collar patches was seen at the gate. There were rumors among the local population that the quarters were to be reoccupied by a tank headquarters and others that the buildings were to be released to the Germans.
25X1A	1 1.	Comment. To date it has been assumed that the Ground Attack Corps Headquarters of the Twenty-Fourth Air Army was stationed in the Falkensee 25X restricted area.
25X′	L_ 1A 3.	Comment. Previously an air transport unit of the Twenty-Fourth Air Army was stationed & Staaken airfield. Fetween 6 and 12 August, this unit transferred to Schommefeld airfield.
25X1	A 4.	Corment. There are no definite indications on the further utilization of the Falkensee restricted area.
